as the fastest growing introductory italian title avanti beginning italian continues to evolve to meet the changing needs of instructors and students professors are offering more hybrid and online courses technology is providing functionality we could not envision just a few years ago and the types of students we teach are ever changing thus in planning the third edition revision it was critical to retain the best parts of our program while responding to the changes around us the title avanti conveys the forward thinking approach of this program which is designed to guide experienced and inexperienced instructors in creating a truly communicative interactive environment for their students in preparation for this edition we employed a wide array of market research tools to identify a number of areas for digital innovation as a direct result of our research this new edition offers mcgraw hill s connect and learnsmart with their game changing adaptive and digital learning resources these powerful digital tools now an integral part of the third edition complement and support the goals of the avanti program and address the needs of the evolving introductory italian course how does avanti with connect and learnsmart support the needs of italian instructors and students

communicative competence one of the major challenges of any introductory language course is to give students ample exposure to the language and sufficient opportunity for speaking practice to inspire them to communicate with confidence avanti satisfies students desire to communicate in everyday situations right from the start in connect italian students have access 24 7 to the digitally enhanced ebook the interactive textbook activities the online workbook laboratory manual activities all of the accompanying audio and video resources and the voice tools that allow for out of class practice of important oral skills review and recycling since introducing and practicing each grammatical structure once in a year long course is simply not enough to promote acquisition recycling vocabulary and structures for maximum exposure is a key feature of avanti every fourth chapter provides practice of four previously taught grammar points which are then followed by a related topic with the addition of learnsmart a super adaptive learning system students can practice key vocabulary and grammatical structures outside of class this powerful system helps students identify their weaknesses and provides them with an individualized study program based on their performance manageable scope and sequence avanti responds to instructors concerns that most programs attempt to cover too much material in the first year we have designed an elementary course that reflects reasonable expectations for the amount of material that most beginning learners can acquire in one year of classroom instruction while providing the necessary practice students need to acquire these structures the connect italian platform includes an assignment builder feature that allows instructors further flexibility to fully customize the course content to meet the needs of their particular students instructors may choose to assign all or a subset of the textbook and workbook activities as well as some or all of the grammar points presented in per saperne di più based on their course goals cultural competence avanti s meaningful and extensive exploration of italy s rich and unique culture is fully supported in connect italian through audio and video resources and interactive activities throughout each chapter brief readings and interactive culture activities promote an understanding of products practices and perspectives all chapters end with reading listening and writing activities that explore cultural topics in depth each chapter also includes an analysis of film clips where students can see italian society and culture in action student centered classroom a significant goal of avanti is to engage the learner inside and outside of the classroom and promote students personal sense of responsibility to interact with the material and maximize learning to this end the inductive presentations of vocabulary and grammar which encourage language processing and cognitive engagement can be successfully completed in the classroom or by using the interactive versions in connect administrative challenges the avanti program provides the online tools to reduce the amount of time and energy that instructors have to invest in administering their course the assignment builder allows instructors to easily sort activities according to a variety of parameters that are important to them including by learning objective language skill topic

amount of time on task or by activity type multiple choice fill in the blank and so on with reports instructors can pull full administrative reports about students performance and coordinators will be able to integrate these reports across all sections to see the performance of the entire program the at risk student report also allows instructors to quickly identify at risk students based on numerous criteria who may need additional help to successfully complete the course

percussion the cymbal book is the first book of its kind it details the 5000 year history and development of these fascinating instruments based on visits to all the major cymbal manufacturing companies and interviews with the world s leading drummers journalist and drummer hugo pinksterboer has created a well documented and readable book featuring over 200 photos it covers topics such as selection and testing acoustics ideas for set ups cleaning and repair and much much more whether read for enjoyment or used as a specific reference guide the cymbal book will answer every question on this subject

the rise of printing had major effects on culture and society in the early modern period and the presence of this new technology and the relatively rapid embrace of it among early modern jews certainly had an effect on many aspects of jewish culture one major change that print seems to have brought to the jewish communities of christian europe particularly in italy was greater interaction between jews and christians in the production and dissemination of books starting in the early sixteenth century the locus of production for jewish books in many places in italy was in christian owned print shops with jews and christians collaborating on the editorial and technical processes of book production as this jewish christian collaboration often took place under conditions of control by christians for example the involvement of christian typesetters and printers expurgation and censorship of hebrew texts and state control of hebrew printing its study opens up an important set of questions about the role that christians played in shaping jewish culture presenting new research by an international group of scholars this book represents a step toward a fuller understanding of jewish book history individual essays focus on a range of issues related to the production and dissemination of hebrew books as well as their audiences topics include the activities of scribes and printers the creation of new types of literature and the transformation of canonical works in the era of print the external and internal censorship of hebrew books and the reading interests of jews an introduction summarizes the state of scholarship in the field and offers an overview of the transition from manuscript to print in this period
