this open access handbook combines multiple theoretical and practical approaches for enabling a nuanced understanding of the phenomenon of marriage in the arab world adopting a holistic interdisciplinary approach it provides a framework for the contextual and macro factors surrounding and affecting marriage in the arab countries it looks at the different types of marriage whether traditional or new to the arab world and takes a detailed examination of the dialectic of marriage and age it considers the dynamics surrounding delayed marriages early marriages celibacy marriage costs and age gaps between spouses in addition it examines marital relations vis à vis a diverse array of sub topics including marital and emotional satisfaction and violence it also looks at the relationship between work and marriage and explores how women s work affects their family relationships and intimacy finally it offers a rich analysis of two core marriage related issues in the modern arab world migration and its positive negative impacts on the institution of marriage and marriage in the context of war and conflict as present in

several areas within the arab region a sociological magnum opus for social science students and researchers in areas of marriage studies gender studies family studies the sociology of work peace and conflict studies human migration and economics it is also relevant to policymakers politicians social workers and human rights and migration activists working in the arab world and beyond

while saudi arabia s economy remains dominated by its hydrocarbons sector several other sectors have emerged in recent years as key propellers of economic growth the kingdom s financial services industries have continued to expand steadily despite the liquidity challenges posed by falling oil prices trade and investment are being treated as key priorities as the government looks to negotiate this altered economic landscape aiming to leverage its large population high per capita income and many sea and air links the country s capital markets sector meanwhile is poised for a period of significant growth on the back of the opening of tadawul to international investors in 2015 and the raft of regulatory upgrades implemented as result the domestic insurance industry which remains dominated by the motor and medical segments has enjoyed double digit growth over the past five years in both revenue and net profit elsewhere the targets outlined in vision 2030 indicate that a period of greater opportunity and integration is on the horizon for private players operating in core sectors such as health care utilities industry and ict

presents an overview of the beliefs customs and culture of islam covering the history of the religion its sacred texts important holidays holy places art architecture literature and contemporary philosophy

do black holes form links to other universes or are they the mothers of new big bangs is rising global population with higher and higher standards of living the implicit cause of environmental catastrophe can religion and science ever be compatible these questions

and many more are explored in keeping up with time dr anisur rahman a retired nuclear safety specialist has compiled forty three of his previously published articles on science and technology global issues and religion intending to challenge readers perceptions of truth and reality the author presents scientific theories technical data and historical facts in a highly readable style the individual articles are short and thought provoking with complex topics explained clearly and concisely using verified facts and unbiased analysis the book is complemented by over 60 photographs and illustrations scientific topics range from newton to einstein and include black holes quantum mechanics and gravitational waves global issues include the writings of aleksandr solzhenitsyn nelson mandela s life story climate change and a discussion of orwellian dystopia religious topics include science and islam religion and morality and the brutality of religious fanaticism issues relating to the partition of india and bengal and the creation of pakistan and later bangladesh are also discussed covering a wide range of subject matter and current affairs keeping up with time will doubtless inspire lively debate and further study among its readers

honorable mention 2022 I carl brown aims book prize in north african studies what does it mean to connect as a people through mass media this book approaches that question by exploring how moroccans engage communicative failure as they seek to shape social and political relations in urban fez over the last decade laments of language and media failure in fez have focused not just on social relations that used to be and have been lost but also on what ought to be and had yet to be realized such laments have transpired in a range of communication channels from objects such as devotional prayer beads and remote controls to interactional forms such as storytelling dress styles and orthography to media platforms like television news religious stations or whatsapp group chats channeling moroccanness examines these laments as ways of speaking that created

moroccanness the feeling of participating in the ongoing formations of moroccan relationality rather than furthering the discourse about morocco s conflict between liberal secularists and religious conservatives this ethnography shows the subtle range of ideologies and practices evoked in fassi homes to calibrate moroccan sociality and political consciousness

islam s holy qur an spiritual guide for millions of muslims across the usnd throughout the world yet condemned by many non muslims as a source ofvil and inspiration for terrorism in this ground breaking introductioninternationally renowned scholar and author farid esack presents all thenformation needed to understand the qur an and its significance esack auslim committed both to his religion and to critical thinking about allspect of it explores how the qur an came into being and examines itstructure as a unique literary work he outlines its key themes explains itsistorical and cultural context and looks at the controversies that haveurrounded it over the centuries blending faith fact and an innovativeapproach this is a concise guide to a major religious text and annvaluable insight into its role in the everyday lives of muslims

this 2018 article iv consultation highlights that saudi arabia s real gdp growth is expected to increase to 1 9 percent in 2018 with non oil growth strengthening to 2 3 percent growth is expected to pick up further over the medium term as the reforms take hold and oil output increases risks are balanced in the near term the employment of saudi nationals has increased especially for women but the unemployment rate among saudi nationals rose to 12 8 percent in 2017 credit and deposit growth remain weak but both are expected to strengthen owing to higher government spending and non oil growth the fiscal deficit is projected to continue to narrow from 9 3 percent of gdp in 2017 to 4 6 percent of gdp in 2018

lok virsa meaning cultural voyage is the culmination of a project which has targeted muslim communities heritage in the west midlands this project has raised an awareness and understanding of the cultural heritage and legacy of diverse muslim communities living in the west midlands a great cultural heritage influx from east to west and west to east is emerging from indigenous muslim cultural heritage the organisation has worked with a number of muslim communities in the west midlands by holding heritage training workshops and by carrying out training to collect the primary source materials such as photographs artefacts and stories which have been used in this publication a website and cd rom the culmination of the project is the lok virsa book which encompasses all the information and illustrations obtained during the project from the diverse muslim communities now established in the west midlands
