in this insightful book accounts of voice hearers are presented evaluated and interpreted by a christian theologian and psychiatrist by listening to the first hand experiences of voice hearers and evaluating them in the light of christian theology the book enables the reader to understand the experiences of voice hearers as a part of christian experience and to engage with the theological issues raised by them including the nature of revelation this engaging and thought provoking collection looks at a range of stories ranging from comforting to complex to simply conversational to encourage debate and search for meaning and also show how the reader can

adapt clinical and pastoral practice to better aid people in this situation

this first study of faith based development ngos fbos political roles focuses on how u s fbos in international development educate and mobilize their constituencies most pursue cautious reformist agendas but fbos have sometimes played important roles in social movements nelson unpacks those political roles by examining the prominence of advocacy in the organizations the issues they address and avoid their transnational relationships and their relationships with religious and secular social movements the agencies that educate and mobilize u s constituencies most actively are associated with small christian sects or with non christian minority faiths with historic commitments to activism or service specialized advocacy ngos play important roles and emerging movements on immigration and climate may represent fresh political energy the book examines faith based responses to the crises of climate change covid 19 and racial injustice and argues that these will shape the future of religion as a moral and political force in america and of ngos in international development paul j nelson is associate professor of international development at the graduate school of public and international affairs gspia university of pittsburgh usa

on the margins of the biblical canon and on the boundaries of what are traditionally called mainstream christian communities there have been throughout history writings and movements which have been at odds with the received wisdom and the consensus of establishment opinion if one listens carefully these dissident voices are reflected in the bible itself whether in the radical calls for social change from the hebrew bible prophets with jesus the apocalyptic prophet who also demanded social and economic justice for his oppressed people or perhaps from the apocalyptic tradition s millenarian visions the use of the bible has been fertile ground throughout christian history for prophetic calls for radical change within society as a whole and the church in particular the essays contained in this volume examine aspects of this radical tradition its doctrine hermeneutics pedagogy and social action they offer a sustained development of the theme of the bible and its reception and appropriation in the context of radical practices and an exposition of the imaginative possibilities of radical engagement with the bible in inclusive social contexts part 1 treats new testament texts directly the lukan writings paul and the book of revelation part 2 explores some examples of reception history and of radical appropriation of the bible in history and literature part 3 addresses contemporary issues in liberation theology and public theology this book is a festschrift in honour of professor christopher rowland the dean ireland s professor of the exegesis of holy scripture in the university of oxford

roger s gottlieb provides a lucid and accessible overview of what spirituality is enabling a clear eyed understanding of the concept its manifold connections to other aspects of personal and social life its role as a positive psychological and social phenomenon and some of the risks that attend it

roger s gottlieb is internationally known for his groundbreaking studies of religious

environmentalism passionate account of spirituality in an age of environmental crisis and enlightening vision of the role of religion in a democratic society political and spiritual brings together for the first time his most powerful essays on these and related themes the book s wealth of topics includes spiritual deep ecology ethical theory animal rights the holocaust the environmental crisis and the experience of disability as well as new essays on the human meaning of technology facing death and a fascinating intellectual autobiography as a whole political and spiritual reveals gottlieb s unique ability to connect our collective struggles for a just rational and caring society with our personal strivings for contentment wisdom and compassion

stories of 17 women who have struggled for human rights throughout the world during the 20th century but have been largely overlooked by the conventional literature they are depicted confronting authoritarian governments struggling with race and ethnicity seeking environmental justice upholding women s rights as human rights and making the world safe for children paper edition unseen 18 95 annotation copyright by book news inc portland or

professor clarence taylor sheds some much needed light on the rich intellectual and political tradition that lies in the black religious community from the pentecostalism of bishop smallwood williams and the flamboyant leadership of the reverend al sharpton to the radical presbyterianism of milton arthur galamison and the controversial and mass mobilization by minister louis farrakhan black religious leaders have figured prominently in the struggle for social equality in america

illuminates how voice faith and hearing become intertwined with technologies of sound reproduction and mobility amid the rapidly transforming religious landscape of china s ethnic borderland the twentieth century expansion of protestantism among the upland peoples in the china southeast asia borderlands has catalyzed a profound sociocultural change in the region in faith by aurality in china s ethnic borderland ying diao finds important sonic evidence for this religious revolution in a rapidly transforming northwest yunnan presenting a compelling account of china s minority christian landscape and highlighting the importance of aurality in the peripheral peoples response to christianity and other modernizing projects diao documents a range of sounded religious practices by the lisu an indigenous yet historically migratory people to examine how participatory music production circulation and consumption become integral to indigenous perception and experience of faith weaving together evidence from multisite fieldwork archival records and audiovisual media diao demonstrates nuanced understanding of people of faith at the margin one centered on the sensual and material dimensions of religion and on the intertwining of local agency and external hegemonic forces as the first full length ethnographic account of china s christian minorities on a transnational scale to be published in english this book provides historical and contextual information that enriches anthropological ethnomusicological and historical scholarship on global christianity ethnicity media and mobility while showing how sound can be an ambivalent but fruitful avenue through which

ways of faith are constructed and remain fluid in a context where discussions and practices of religion are constrained

being faithful in diversity considers the facts and natures of religious diversity and examines responses to them it then explores the more difficult issue about how it is we are to be true to our religious positions and live within the context of religious diversity the challenges we face include the fact of religious diversity in itself the decline of old supports for faith the disappearance of former taken for granted starting places such as the monarchy the british empire and christendom and finally the rise of and presence of newer forms of inter religious competition and conflict newspapers are full of images of religious conflict overseas and reports of religious competition and conflict at home is it possible to negotiate the competing demands and claims between religious groups and the competition and conflict between them and secularist groups
